Family Violence and Supporting Vulnerable Customers

Petsy Pty Ltd ABN 54 633 343 058, AR 1277359 ('Petsy')

Effective date 28 May 2022

Family violence is a complex issue that is present throughout our communities.

Petsy is committed to supporting people affected by family violence and treating them with the utmost dignity and respect.

We recognise that family violence means much more than physical violence. It includes emotional abuse, psychological abuse, sexual abuse, financial or economic abuse and damage to property.

Our priority is to ensure that whenever family violence is identified or suspected, the safety of the customer affected by family violence and their family is protected and we are committed to supporting you.

Helping Customers

We will be flexible and vary our approach based on customers' individual circumstances, including providing personalised support.

Petsy can assist customers experiencing family violence by:

- ensuring safe and confidential communication in light of individual circumstances;
- helping to set up new insurance policies;
- helping to arrange access to financial hardship assistance;
- referral to specialist support services.

Our Employees

Our employees and third-party providers are trained so that they can deal appropriately and sensitively with customers affected by family violence.

We are committed to training our employees to help them:

- understand if a customer may be vulnerable;
- determine how best to support a vulnerable customer;
- take account of a customer's particular needs or vulnerability; and engage with a vulnerable customer with sensitivity, dignity, respect and compassion. This may include arranging additional support and referral to specialised people or services.

Service Suppliers

Petsy will ensure that our service suppliers who deal directly with customers are also trained to deal appropriately with cases of family violence.

Privacy

We recognise that ensuring customers' personal information is kept private and secure is essential in family violence situations. At all times, we will ensure customers' personal and sensitive information is treated with confidentiality.
